Seeding After Pool Play

- Pool Play Win %
 - Head to Head
 - Run Differential
- (Runs Scored minus Runs Allowed)
- Coin Flip

*Home Team for Pool Play determined by Coin Flip

Teams:

Clemson University
 Kennesaw State University
 Northern Arizona University
 University of Central Florida
 University of Florida
 University of Georgia
 University of North Georgia

*Higher Seed is the Home Team for Single Elimination

***Due to the odd number of participating teams, UCF has agreed to play a fourth pool play game so that all teams will have three pool play games.

UCF will play all four games and at the conclusion of their fourth game all four games will be placed in a hat.

The match-up that is drawn out will be the one that does not count towards UCF's single elimination seeding. It will still count for the opponent of that game but not UCF.
