NCSA Proposed Rule

Conference Scheduling

- DII ONLY: Currently, 4 team conferences play one series against each conference opponent in a home OR an away series.
 - Proposed Change: Any conference with 4 teams or fewer should vote on the format above or to play each conference opponent twice in a home AND away series.
- DII ONLY: NCSA Division II teams currently play a 2-game series against each conference opponent.
 - Proposed Change: This is put to a conference-by-conference vote on whether the teams would like to play 2-game series or 3-game series.
- DII ONLY: Teams currently do not face a penalty if they qualify for the postseason and do not participate.
 - Proposed Change: Reinstate the penalty for not participating in in Division II Playoffs. This rule is currently in the rulebook, but crossed out.
 - Teams that qualify and do not participate would automatically be placed on probation for a minimum of 1 full season.

Tiebreakers

- Copying NCBA DIII Determining Conference Standing Rules/Tiebreakers
 - NCSA Division II had several odd tiebreakers due to only playing 2-game series. NCBA DIII tiebreaker verbiage is more detailed and would help determine tiebreakers and clear things up for teams.
