Dear Club Softball Enthusiasts,

This letter serves as a formal invitation to the 20th Annual National Club Softball Association League Meeting. We are inviting any representatives from past, current and future NCSA member teams as well as any club softball fans to attend this meeting. The Annual League Meeting will be held *LIVE* online on the [NCSA Facebook Page](#). This meeting is your opportunity to learn more about the latest happenings around the league, understand how the league operates, assure you that the league is headed in the right direction and discuss possible rule changes. Be sure that your team is not left out from learning more about these important topics.

By holding the meeting online, it allows the NCSA to have the greatest reach to all teams and club softball enthusiasts across the country. In years past, it has been a great success, and we hope that you will join us this year. In order to be able to view the 2026-2027 NCSA Annual League Meeting *live* online, you will need two things:

1. **Facebook profile**
2. **'Like' the NCSA Facebook Page**

This year's meeting will be held *LIVE* on **Tuesday, August 11th, 2026 at 7:00pm EST**. All current and future NCSA Member Teams and club softball fans can tune into the League Meeting by going to the Official NCSA Facebook Page on August 11th at 7:00pm EST. Remember, in order to view the meeting, you have to have a Facebook Profile and 'like' the NCSA Facebook Page. If you have not yet 'liked' the NCSA Facebook page, click on the link or copy and paste the URL into your internet search bar: <https://www.facebook.com/NCSAClubSoftball>. Once you have found the NCSA Facebook Page, click the "Like" button.

Also remember that this meeting is **INTERACTIVE**. While the meeting is happening *LIVE*, you can ask questions by writing it in the comments section below the video. We will do everything in our power to read the question aloud and the current speaker will do their best to answer the question at that time. A large portion of the meeting will also be dedicated to the rulebook. Teams will have the opportunity to propose new rule additions, adoptions, changes and deletions. These rule proposals have the opportunity to be included on the rulebook voting ballot that will be sent off to all member teams to vote on for next year's rulebook.

If you are not able to attend the league meeting while it is airing live online, don't worry. A recorded version will always be available on the NCSA Facebook Page to view at your convenience.

Please visit the official NCSA website at www.clubsoftball.org, for league updates and headlines. If you have any questions or concerns, you can email Alec.Verhoff@CollClubSports.com, or by phone at 412-239-5001. If there are any club teams that you know of that may not have received this letter (non-current member teams), please forward a copy of this invitation to them. I look forward to having you tune in to this year's NCSA League Meeting.

Sincerely,

Alec Verhoff
